A Word to Republicans.

The hope of the party lies in the organization

of a statewide Republican press. The Republican

who reads or otherwise helps to support a

Democratic paper is the enemy of his own party

and of his own party's success in the

Republican cause.

Unanimously subscribed by the National

Republican League.

J. S. CLARKSON, President.

A. B. HUMPHREY, Secretary.

The Bulletin has turned itself inside

out since the election.

The election being over, and not having

any shouting to do, we will bend

our energies to give you the best local

newspaper in Maysville.

Our neighbor of The Bulletin puts

the Commonwealth's Attorney on a

plane with the Legislature and Jus-

tician. Well, we have a higher opinion

of that office.

We believe Mr. CLEVELAND is far too

honest to approve any measure that looks

to the destruction of our present safe

financial system. The advocates of wild-

cat banks will be disappointed in him,

and those who have demanded the re-

peal of the tax on state bank issues have

demanded in vain.

LET the Democratic party inscribe

Free-trade on its banner hereafter. For

that is the honest meaning of Tariff Re-

form.—Kentucky Journal.

Shake, neighbor; you're the only

Democrat that has been honest enough

to throw off the mask and proclaim

boldly for outright Free-trade. "Tariff

Reform" is a delusion and a fraud.

You're right; let us shut up the Ameri-

can workshop and buy the goods that

England makes.

This marvelous growth of our trade

with Central and South American coun-

tries and the West Indies has been due

to Tariff concessions for our products

wrong from them under the reciprocity

clause of the McKinley law. The Demo-

cratic Tariff program would withdraw

the reciprocal concessions granted by us

for their products by re-imposing the

import duty on sugar, on cane and other

necessaries of life we get from there.

Then it would take our Tariff off

such of their products as compete

with ours and thus leave us helpless

to resent the replacing of their Tariffs on

our products, the removal of which has

been secured by reciprocity. Our

rapidly growing export trade to Spanish

America would thus be effectively cut

off and stamped out.

CLOSE AND DOUBTFUL.

A Hope That Judge Holt May Pull Through

All His Democratic.

The returns from the First Appellate

District are not sufficient to form any

satisfactory estimate. The Democrats

are claiming that Mr. Harter has de-

feated Judge Holt and the extraordinary

Democratic gains shown in some of the

counties heard from makes the result ap-

pear uncomfortably close.

It is hoped, however, that the main-

tain counties will return their usual Re-

publican majorities and thus save Holt.

Congressman Payson is re-elected by

more than 2,000 to 3,000.

Harbison's majority in the district is

about 425.

at Cincinnati this week will be seen at

LATER RETURNS.

Michigan Gives the Republicans
Nine Instead of Eight.

Montana and Wyoming Transferred
to the Republican Column.

Idaho Goes for Weaver and California for
Cleveland—Ohio Still Among the Doubtful
States, Also North Dakota—
Grover's Election a Certainty.

CINCINNATI, Nov. 11.—As late returns
come in the result of Tuesday's election
changes somewhat.

Wyoming and Montana—for the time
being, at any rate—have been trans-

ferred to the republican column, but
one of the places among the wavering

was filled Thursday morning by North
Dakota, taken from the republican list.

Idaho goes to Weaver, and California to
Cleveland, Michigan, by the latest re-

turns, gives the republicans nine or her
electors, instead of eight, leaving only

five for Cleveland. The electoral col-

lege, with best and latest information
at hand, stands:

REPUBLICAN. DEMOCRATIC.

GOV-ELECT STONE.

Cleveland, based on the latest figures,

will be swelled to 85,000, while that for

W. J. Stone, for Governor, will be about

85,000. The democrats elect thirteen

out of sixteen congressmen. Stone

and Bidwell each get less than 1,000

votes.

Alabama.

BIRMINGHAM, Nov. 11.—It is now

positively known that the following con-

gressmen, all democrats, are elected in

Alabama: First district, Clark; Second,

Stallings; Third, Oates; Fourth, Rob-

bins; Fifth, Cobb; Sixth, Bankhead;

Seventh, Denison; Eighth, Wheeler;

Ninth, Turpin. Official returns from

all but one county give a majority for

Cleveland of 49,315, which is a big in-

crease over the state election in Au-

gust.

Carroll to Harrison.

NEW YORK, Nov. 11.—Chairman Car-

roll, of the republican national com-

mittee, sent the following telegram to

President Harrison Thursday after-

noon: "The returns show that we have

been defeated by a pronounced major-

ity. The defeat can only be attrib-

uted to a reaction against the progre-

sive policies of the republican party."

"THOMAS H. CARTER, chairman."

Idaho.

BOISE, Ida., Nov. 11.—Returns come

in slowly. Forty-three precincts al-

ready in give the republican state ticket

a majority and a majority of the mem-

bers of the legislature. This will li-

kenly hold for the balance of the state.

Sweet, rep., is elected to congress. The

probability that the fusion electors have

been chosen.

Illinois' Great Victory.

ALLIANCE, G. Nov. 11.—Probably one

of the biggest surprises of Tuesday's

balloting was the election of Dr. George

E. Hurt (democrat) in the (McKinley's)

district. Complete returns wipe out the

usual republican majority of 3,500, and

elect Hurt to congress over Thomas

Morgan, sr., of this city, the republican

candidate by a majority of 1,000.

Veteran Horseman Dead.

PANAMA, Ky., Nov. 11.—Uncle Jack

Hook, the widely known turfman, died

Thursday morning from consumption.

He was one of the best known trotting

horsesmen in Kentucky. Mr. Hook

West Virginia Democrat.

PARKERSBURG, W. Va., Nov. 11.—Re-

turns come in slowly, but enough has

been heard to show that the state is

democratic by about 4,000. Heavy gains

have been made to democratic counties,

but the republican counties have not

come up to expectations.

State's Rep. to Cabinet Position.

CORPUS, Tex., Nov. 11.—U. S. Sen-

ator Mills has been prominently men-

tioned for a cabinet position in the

event of Cleveland's election. It is

learned from a confidential friend of

the senator that he will not accept a

position in any man's cabinet.

NEXT CONGRESS.

Democratic Majority in the House Placed at 100.

The Silver States Split Even on Republicans and Fusionists.

Fusionists Partially in Accord With Democrats—Table Showing the Number of Congressmen from Each State and the Party They Represent.

WASHINGTON, Nov. 11.—An analysis of the congressional election returns show that with returns missing from twenty districts in which the results are either entirely unknown or very close, the democrats have elected to seats in the house of representatives for the fifty-third congress, eighty-eight more representatives than the republicans. This majority does not include members-elect who are classified as either fusionists or Third party men, nearly every one of whom will not act with the democrats in any proposed reduction of tariff taxes. Their support, with the additional strength the democrats are certain to derive from securing some of the twenty districts put in the unknown column, makes it conservative to estimate that the democrats will have a majority of one hundred members or more on the most important question likely to come before the next house of representatives, viz., a revision of the McKinley tariff law. A number of the fusionists are also thoroughly in accord with the democratic policy, as far as it goes, on all other questions.

An analysis by section of the vote Tuesday for congressmen shows that in the southern states, Maryland, Missouri and Kentucky, being included in the category, will send 117 democrats, only four republicans and one Alliance democrat, McLean, of South Carolina, to the next house, with four districts two in West Virginia and one each in Kentucky and Missouri. The only parent result of the fight made against the democrats in the south was to strengthen the hold on public affairs in North Carolina, Chesapeake, the colored republican, is defeated, after surviving the landslide of two years ago, and in Alabama a solid democratic delegation returned, notwithstanding the efforts of Mr. Magee and others to split it.

Of New England's twenty-seven votes in the next house the republicans get eighteen and the democrats six. The states of the northwest and agricultural west, beyond the Mississippi river, will send 90 republicans, 14 democrats and 5 fusionists to represent them in the next house, two districts from Nebraska in doubt, and the entire west from Minnesota placed in the same column, for lack of information as to the successful candidates.

The Pacific coast is entitled to eleven congressmen. Washington and Oregon each will send two republicans, and California will send four democrats, and perhaps more, three districts being close between the two old parties.

The following is a table by states:
